

INTRAAX[®] AANT

The road-proven INTRAAX AANT is the ultimate system for weight-conscious haulers running straight-frame platforms, container chassis, liquid tankers, grain hoppers, bottom dumps and livestock trailers.

Hendrickson trimmed an average of 50 pounds from an integrated suspension / axle / brake system already known throughout the industry for its lightweight and reliable performance. A lighter weight version of the AAT 23K, AANT teams tapered-beam and Hendrickson Large-Diameter Axle (LDA[™]) technologies for increased roll stiffness, reduced weight and improved durability while still maintaining the smooth ride, superior performance and rugged durability you expect from INTRAAX.

Features & Benefits

- Standard with the Hendrickson Large-Diameter Axle (LDA[™])
 - Trims up to 27 pounds compared to five-inch axle, allowing more cargo per load
 - Increased bending stiffness by 14 percent which means less axle deflection under load and greater roll stability
 - Available cambered axle option for grain and livestock trailers
- Proven TRI-FUNCTIONAL[®] Bushing technology optimizes ride softness, control and stability
- QUIK-ALIGN[®] pivot connection for fast and easy axle realignment that requires no welding or special tools
- Cam Tube System[™] enhances S-cam alignment and extends brake component life
- Hendrickson Extended Service[™] (HXS[®]) or standard service brake linings increase miles between brake service
- Wide range of READY-TO-ROLL[®] (RTR[®]) wheel-end options
 - Hendrickson Value System[™] (HVS[®]) features a three-year limited on-highway warranty
 - Hendrickson Long-Life System[™] (HLS[®]) features a five-year limited on-highway warranty
 - Hendrickson Extended-Life 7-year System[™] (HXL7[®]) features a seven-year limited on-highway warranty
- Compatible with UNDER BEAM LIFT[™] (UBL[™]) to extend tire life, improve maneuverability and add operational flexibility
- Optional galvanized coating that provides high-quality chip and corrosion resistance
- Available with TIREMAAX[®] to minimize tire wear and increase fuel mileage
- Single source for technical/customer support, training and warranty
